Dear Christian Friend

Welcome to JVM Children's Ministry. The Children's Ministry partners with parents and caregivers in raising children to know, love and serve Jesus Christ. It is our goal to introduce children to the life-changing message of the Gospel, providing weekly and seasonal opportunities for teaching, discipleship, fellowship and outreach.

Through various activities and opportunities to worship, we hope to help kids better understand and participate in corporate worship, developing a language and appetite for the worship of the Lord, with the whole faith community.

JVM team looks forward to taking great care of your child/children, praying for them each week, and grooming a NEW generation of future Believers, Ministers and Missionaries as we teach them the central truths of the Bible and help them to see how the Bible is relevant to their own lives. JVM is a purpose driven Ministry.

We are writing to give you an opportunity to participate in this ministry. Please consider praying for our Children's Ministry and the team of leaders the Lord raises up for this special ministration. Please pray for our effectiveness in the lives of these dear children.

Please also pray for the financial support to make this ministry possible. And please pray for the children as well, that they would be safe, know they are loved, and would make a commitment to Jesus Christ at a young age.

Another way that you can participate is to support JVM Children's Ministries financially. We are trusting God to move in your heart, and donate toward this ministry. Please print and fill the form below and mail it with your check (made payable to JVM International Inc.) to :
